Learning outcomes

Main learning outcome

The student is familiar with and understands the competences of a junior FM professional.

The student:

- estimates their current competence level using the competence profile of a facility manager (LOOFD 2012) on the basis of the graduation learning outcomes
- adjusts their personal learning objectives in the context of Year 4 and beyond using up-to-date information on their performance
- decides what type of graduation project and organisation they would prefer, and justifies their choice
- explores the options available on completion of their studies
