### Learning outcomes

#### Competences:

- **SETTING A COURSE;** The Marketing professional maps out a marketing approach. He/she does this based on his/her vision, opportunities he/she identifies in the market and the long-term competitive advantage of the organisation where he/she works. Because he/she does not work within a vacuum, the Marketing professional is a bridge-builder who connects both knowledge and people.
- **CREATING VALUE;** The Marketing professional gives substance to the marketing approach by creating long-term value for both the client, the organisation and society. He/she does this based on an analysis of data and research, with the aim of gauging the client's actual behaviour. He/she is able to translate this analysis into an action plan.
- **BUSINESS DEVELOPMENT;** Via co-creation with stakeholders, the Marketing professional designs unique and/or innovative concepts and revenue models to optimise value for all relevant stakeholders. He/she anticipates and/or initiates change and gains the support of the stakeholders during the development process.
- **IMPLEMENTING;** Based on the developed concept, the Marketing professional produces a sustainable marketing product or sub-product or service for existing and potential stakeholders. The Marketing professional puts forward creative solutions, facilitates parts of the implementation process, shows perseverance and takes financial responsibility in order to achieve the desired commercial result together with internal and external parties. He/she secures stakeholders' commitment during implementation.
