The student

- demonstrates knowledge and insight in the context of the provided content.

Learning outcomes OffCourses

Making

The student

- explores (new) materials, techniques and visual possibilities.
- intertwines idea or concept and meaningful work.

Thinking

The student

- uses the best discursive, social and visual (international) sources for his or her project.
- conducts artistic/design research in a reflective way.

Sharing

The student

- works together in a positive way.
- shares his or her project in a suitable way, defined in your context.

Content

Students choose from a program of electives, in which they engage in interdisciplinary and emerging art and design practices.
The OffCourses offerings are shared via Brightspace.
Every year there is a new range of offcourses. The exchange students of Design must participate in 1 offcourse of 5 credits.
