### Content

**Level:** advanced (3)

#### **Content:**

(1) International financial markets  
(2) International exchange risk management  
(3) Financing international operations and management of interest rate risk  
(4) International investment analysis  
(5) International Trade Finance and Cash Management  
*This course will provide students with an understanding of the international economic and financial environment and its unique challenges to the Multinational Enterprise. In particular it will enable students to understand the theory and practice of foreign currency and interest rate risk management, international financing and investment decisions, international trade finance and international cash management.*

#### **Details:**

'Fundamentals of Multinational Finance'; M.H. Moffett, A.I. Stonehill and D.K. Eiteman; 4th edition, 2011; Addison-Wesley/Pearson Education; ISBN: 978013 282 9915.

Since groups will be formed in week 1 students are strongly advised to attend the first class. If a student cannot come to the first class he is required to contact the teacher preferably prior to the first class but no later than on the day of the first class, so he/she can assign him to a group. If he contacts the teacher after the first day of class, he can no longer take part in the group work.

**Costs:** 87 euro
