Learning outcomes

Process

The student

- trains his skills in observation
- practises with different materials and techniques

Product

The student

- is introduced to the material, techniques and visual means in the different mediums and domains
- shows a large number of products based on observation and practice assignments

Context

The student

- enhances his knowledge of visual art in different visual domains

Content

Students acquire techniques and skills in the Studio Support Programme. The student will follow a fixed amount of mandatory classes in all visual domains stated below. This element of the Studio Programme is taught by teams of professional artists and workshop specialists and explores various but given visual domains. This also involves a thorough introduction to the make-and-learn community of Minerva Art Academy.

The Studio Support classes can differ in length and intensity.

Included in programme(s)

Fine Art

School(s)

Minerva Art Academy
