#### Content

**Dance domain:** in this domain, mastery of the dance technical domain components is central. The domain dance technique is divided into a core and a basic part, whereby the technical mastery is acquired in the basic part and a bridge is built between the technique, the different dance styles and the field in the core part.

##### **Ballet**

Ballet is the basis on which all of the other dance techniques build.

##### **Horton Technique**

This American dance technique, which focuses on strengthening the body, serves as the basis for the Jazz Dance technique, but is an independent technique too.

##### **Jazz Dance**

Jazz Dance serves as the basis for Pop-Theatre-Musical-Dance, but is an independent technique too.

##### **Modern Dance**

Modern Dance serves as the basis for Pop-Theatre-Musical-Dance, but is an independent technique too.

##### **Pop-Theatre-Musical Dance**

In this domain component, the different dance styles come together and the gaps between the various techniques are bridged.

##### **Theatre Latin Standard Dance Technique**

Theatre Latin Standard Dance is part of ballroom dancing and a collective term for various dances that have emerged from traditional, non-academic forms of dance. Since the beginning of the 20 century, these forms of dance have been standardised into independent dance techniques.

##### **Hip Hop Dance Trends**

Hip-hop Dance Trends is a separate domain component and an independent dance technique based on non-academic dance forms. This domain part is constantly subject to innovations, trends and change.

##### **Acrobatics**

Acrobatics help to optimize physical development and acrobatic skills and support the various dance techniques.
