

Course: Entrepreneurship 1

credits: 1

Course code	ELVH17AENT1	Modes of delivery	Assignment
Name	Entrepreneurship 1		Guest lecture
Study year	2022-2023		Lecture
ECTS credits	1	Assessments	Entrepreneurship 1 - Assignment
Language	English		
Coordinator	E.W. de Vries		

Learning outcomes

Students reflect on their entrepreneurial skills, based on the information from guestlectures and interviews by writing an individual report.

Content

During this study unit, you will experience what entrepreneurial skills and attitude are. Several guest lecturers, also from the professional field, will tell about entrepreneurship do's and don'ts. You will organise and perform an interview with one of the regional entrepreneurs and reflect on (the development of) your entrepreneurial skills.
