Learning outcomes

Student knows what is necessary to run a profitable business and knows how to end a company. To be able to show this, the student: writes a year report; performs a stockholders meeting; rounds up financial matters and closes the bank account; writes an individual report.

Content

In this study unit, you will form a student company (Stuco) with students from other Engineering bachelors at Hanze UAS. You have to show entrepreneurial behaviour while setting up a company, and getting knowledge about production, selling, buying, financial management, marketing, organization and management. It will be necessary to work in teams to reach the goals of the company.
