Study year	2022-2023
ECTS credits	2
Language	Dutch, with parts in English
Coordinator	F.J. Muller
Modes of delivery	Lecture
Assessments	English 2 - Assignment

Learning outcomes

Students can:
- Apply compensation strategies
- Speak English fluently while speaking in general, responding to questions, and presenting.
- Apply formal use of language while presenting
- Apply sounds from British or American English while speaking (with emphasis on the “th”-sound, vocalized consonants, and vowels).

Content

Part of being a professional is being able communicate in a professional, formal manner. Mastering the tools of the language is a major part of coming across as a capable professional: one must be able to express their thoughts and ideas coherently and fluently, which is why this subject focuses on fluency and pronunciation.
