WW5.1: Use one or two additional languages to facilitate international business.

Content

The Language modules help prepare students being business professionals with a global mindset, as it will allow them to connect with people from another culture. By speaking another language they can break down the barriers of communication, putting themselves at a huge advantage as a business professional, next to experiencing a new world view and discovering new concepts.

Common Reference Levels: global scale A2 (Basic user): Can understand sentences and frequently used expressions related to areas of most immediate relevance (e.g. very basic personal and family information, shopping, local geography, employment). Can communicate in simple and routine tasks requiring a simple and direct exchange of information on familiar and routine matters. Can describe in simple terms aspects of his/her background, immediate environment and matters in areas of immediate need.
