### Learning outcomes

2BD-E/PH 33 In the context of his/her free study time, the student can independently organise activities at higher professional (hbo) level which contribute to his/her professional development, based on a personal and professional analysis.

2BD-E/PH 34 In the context of his/her free study time, the student can independently perform activities at higher professional (hbo) level which contribute to his/her professional development, based on a personal and professional analysis.

### Content

The student himself must develop activities that contribute to his personal or professional development. Volunteer work is one of the options here. Activities are chosen in consultation with the student career counsellor.
