

Course: Academic Counselling 6

credits: 1

Course code	PIVB17SLB6	Modes of delivery	Teaching method 1
Name	Academic Counselling 6	Assessments	Academic Counselling 6 - Portfolio assessment
Study year	2022-2023		
ECTS credits	1		
Language	English		
Coordinator	H.A. Kranenburg		

Learning outcomes

2BD-PH 12: The student can independently keep his portfolio based on self-established criteria up to date.

2BD-PH 36. The student can describe his/her core qualities based on a personal analysis which he/she has carried out independently.

2BD-PH 38. In the context of learning, the student can independently write a reflective report based on a comprehensive analysis of his/her personal experiences and professional development.

1OD-M 19. The student demonstrates his/her focus on performance as an enterprising individual by focusing on the development of his/her qualities in the context of his/her personal development.

1OD-M 43. The student can recognise his/her own values and standards as an enterprising individual and communicate them to others.

2OD-M 17. The student demonstrates his/her independence as an enterprising individual through his/her ability to make decisions independently of others.

Content

The academic counselling trajectory is part of the physiotherapy studies; here the student learns to establish a connection between his studies and the profession of physiotherapist. We are talking about a profession that involves dealing with many professional dilemmas and an academic programme in which many choices have to be made. This demands from the student a learning process in which he learns to organise and plan, take responsibility for the choices he makes, and give shape to the ensuing actions. In this way he learns to give a sense of direction to the physiotherapy studies. In our programme the principle applies that as a student you have primary responsibility for your studies and your career. You are, as it were, the 'director' of your studies.

The theme for AC6 is: Personal leadership

Included in programme(s)

B International Physiotherapy

School(s)

School of Health Care Studies
