Learning outcomes

Analysing, Level 3

1. Students lay out the facts of a complex real-life legal situation and/or an open problem and rank them by legal relevance. Based on this ranking, they formulate the legal questions and are able to answer and substantiate these verbally and/or in writing.

Innovation, Level 3

1. The student anticipates changes to laws and regulations,
2. based on an understanding of relevant political and societal developments.
3. The student is able to clarify the implications to their own organisation;
4. The student makes valuable contributions to the practice, displaying an inquisitive and proactive attitude; this raises their profile within the organisation;
