Learning outcomes

Process

The student

- demonstrates an understanding of the work process on visual, conceptual and contextual level

Product

The student

- shows in the graduation thesis that his or her research and reflection is in conjunction with his or her visual work

Context

The student

- demonstrate knowledge and understanding of the artistic, theoretical and professional context in relation to his or her artistic work and the actuality of the visual arts

Content

The Studio Classroom teacher has supervision over the students, helping the student focus on reflection and positioning through practical research, resulting in a Graduation Thesis.
