Learning outcomes

The student will have to motivate content and activities in advance by means of a plan of approach. Different elective modules can also be offered every year.

Content

The student can choose activities from the range of electives that are determined every year. That was the case in recent years, for example.

- Internationalization
- Research (A3)

There is also the possibility to develop activities that fit within the theme of the MiZ. The number of ECs will be determined per activity.
