Content

Strategic Focus Areas: Entrepeneurship, Global Mindset and Sustainability

This module offers you a (interdisciplinary) frame of reference regarding knowledge and skills. The BOKS is divided into six ample themes:
Transition Management
Sustainability
New Business & ICT
Globalisation & localisation
Innovation & entrepreneurship
Organisational design and change

You learn to go from more general to more specific theories, concepts and models relevant for your innovation assignment and thesis. The comparing and contrasting of alternative theories, models, concepts and conceptualization is being assessed.

This course is also contributing to all SDG’s
