

Vak: Creative Media

credits: 5

Vakcode	GTVB22FTCM	Werkvormen	Werkcollege
Naam	Creative Media	Toetsen	Creative Media - Overige toetsing
Studiejaar	2022-2023		
ECTS credits	5		
Taal	Engels		
Coördinator	P.G.T. Huitema		

Leeruitkomsten

This Focus Track has five Programme Learning Outcomes.

Programme Learning Outcomes

- A2. The student considers contextual factors in the implementation of their solutions.
- B1. The student can construct technical solutions informed by relevant knowledge and theories.
- C1. The student can make use of relevant visualisation techniques.
- C2. The student employs appropriate prototyping methods to develop digital interactive prototypes.
- C3. The student elaborates digital prototypes using appropriate methods and techniques.

Inhoud

Students will work individually to create a real-time render 3D animated character in a game engine. Students will show iterative steps and address important choices in creating their game-ready animated character in a real-time rendered scene.

The real-time rendered scene reflects the character's personality by using appropriate research, references, modelling, animation and visualization techniques. The digital interactive real-time scene in the game engine allows the user to trigger different animations.
