<b>Coördinator</b>	J. Wang		

### Leeruitkomsten

Learning Outcomes / Competencies:

- LO1: The student is able to independently understand contractual terminology and identify key facts to resolve a new dispute over the sale of goods while role-playing groups of legal professionals in a mock arbitration;
- LO2: Students can independently distinguish the correct articles in the CISG that should be used to resolve a new dispute over the sale of goods while role-playing groups of legal professionals in a mock arbitration.
- LO3: Students actively arrange their professional legal teams so their role division during the mock arbitration is even and consistent.
- LO4: Students, in their role as legal professionals, deliver a legal argument constructed logically and systematically in a mock arbitration.
- LO5: Students, in their role as legal professionals, follow and respond to complex lines of legal reasoning convincingly in a mock arbitration.

Competencies from the IBMS Programme Learning Outcomes:  
WT1.1, WW 4.1

### Inhoud

The student will build on the knowledge and experiences in period 1. The aim of the course in period 2 is to deepen the knowledge base and to look further than one's own background.
