Werkvormen Werkcollege
Toetsen Professional Skills 4 - Portfolio assessment

Leeruitkomsten

Learning Outcomes:

1. The student will demonstrate what connections the theoretical framework makes to his/her research and how the analysis of qualitative research data was applied in a real-world case study.
1. The student explains, in a visual product, what hospitality, health and sustainability means in his/her role as a young facility manager.
1. The student acts as a coach or advisor in a change process and reflects on his/her intervention.

Inhoud

Professional Skills - IFVB22PRO4

Course information

Students will work on their own professional skills needed as a young facility manager in the area of the theoretical framework in research and the analysis of qualitative research data, the meaning of hospitality, sustainability, and health in a facility environment, and coaching and advising change processes and interventions.
