Leeruitkomsten

1. Vision and Creativity: The musician is artistically driven, acquires views and convictions about this own field and communicates these in musical professional practice.
2. The Craft: The musician maintains a wide range of technical knowledge and skills that enable him to function both within the national international professional context.
3. The musician is alert to developments in society and integrates these into his musical practice.

A more detailed reference to the competences can be found in the module description of the study guide.

Inhoud

This module Chamber Music is for students who want to deepen their chamber music skills. Chamber music is an important part of the professional practice of a musician. In this module you will have the opportunity to work with a teacher (from the PCC) of your choice. After the lessons you give a concert with your ensemble, organized by the ensemble.

Specifics:

- > Max 8 ensembles can follow this elective this school year. First come, first served.
- > An ensemble consists of minimum three students. At least two of them need to be a PCC master student.
- > Per ensemble you will have 8 lessons of one hour from a teacher (from the PCC) of your choice. Ask the teacher yourself and plan the lessons with the teacher.
- > The first lesson needs to be planned before February 1st 2021.
- > You organise a (student) concert with your ensemble (possibly with other chamber music groups) in or outside the school. Evidence is needed to get the credits.
- > Use the form to keep track of the lessons and put this in your portfolio.
- > At the end of the year: hand in the form below including evidence of the concert
