Werkvormen Individueel
Toetsen toets-01 - Overige toetsing

Leeruitkomsten

1. Vision and Creativity: The musician is artistically driven, acquires views and convictions about this own field and communicates these in musical professional practice.
2. The Craft: The musician maintains a wide range of technical knowledge and skills that enable him to function both within the national international professional context.
3. The musician is alert to developments in society and integrates these into his musical practice.

A more detailed reference to the competences can be found in the module description of the study guide.

Inhoud
