Leeruitkomsten

1. Vision and Creativity: The musician is artistically driven, acquires views and convictions about this own field and communicates these in musical professional practice.
2. The Craft: The musician maintains a wide range of technical knowledge and skills that enable him to function both within the national international professional context.
3. The musician is alert to developments in society and integrates these into his musical practice.

A more detailed reference to the competences can be found in the module description of the study guide.

Inhoud

Students will:

- Get a deeper understanding of the values and meanings that arise in a workshop or masterclass domain.
- Get insights in how to use these values in the design of events and workshop sessions.
- Get first hand input from conceptual ideas, visual aids and experimental group exercises.
- Learn from best practices and real-life case studies.
- Work together in designing innovative sessions that can be implemented in workshops, masterclasses and even jam sessions.
