Inhoud

The elective 'Creative Workshop Leading' is focusing on different leadership skills and the context of a creative workshop. Participants of creative workshops collaboratively compose new pieces of music. In the module you will experiment with techniques and exercises which are helpful in the process of creating music and leading a mixed ensemble. The exercises are warm ups, vocal, rhythmical and instrumental improvisation and composition exercises. You will also work on communication and the basics of group dynamics.

Opgenomen in opleiding(en)

Muziek, major Klassieke Muziek

School(s)

Prins Claus Conservatorium
