Inhoud

With this module you learn to work with the computer programme 'Finale' to make digital scores. You need to master digital music notation in order to successfully follow the subject Arranging (in the 3rd year). Digital Music Notation is an obligatory elective for all 1st year students who don't pass the level test in September.

Opgenomen in opleiding(en)

Muziek, major Klassieke Muziek

School(s)

Prins Claus Conservatorium
