Inhoud

After having participated in the first improvisation module you get the chance to continue developing your improvisation knowledge and skills in improvisation in the course called Improvisation II. In the sessions of this module you continue improvising on a more independent level. Participants will form small improvisation ensembles and will prepare new pieces based on improvisation. You will explore and analyse new techniques, styles and approaches. Artistic identity, flexibility, fast decision making, communication and listening are core words for this module.

Opgenomen in opleiding(en)

Muziek, major Klassieke Muziek

School(s)

Prins Claus Conservatorium
