### Leeruitkomsten

#### Process

The student

- demonstrates an understanding of the work process on visual, conceptual and contextual level

#### Product

The student

- shows in the graduation thesis that his or her research and reflection is in conjunction with his or her visual work

#### Context

The student

- demonstrate knowledge and understanding of the artistic, theoretical and professional context in relation to his or her artistic work and the actuality of the visual arts

### Inhoud

The Studio Classroom teacher has supervision over the students, helping the student focus on reflection and positioning through practical research, resulting in a Graduation Thesis.
