Minor International Management

Programmabeschrijving

This student has completed the Minor International Management.
The Minor International Management deals with the international business challenges that relate to global economic and environmental developments, changing financial markets, evolving competitive advantages, sound business ethics, and cross-cultural diversity. The International Management graduate has the capacity to handle business issues comprehensively and holistically, with sufficient grasp of content matter in the respective managerial fields. The graduate develops a global mindset, has well-developed interpersonal and professional skills, and is therefore inter-culturally competent in international and global business transactions management.
